

Open Donor: Fenner

Staff Impression

Fenner has a full head of radiant strawberry-blonde hair, and, depending on the season, a beard to match. His blue-green eyes are shaped like half circles, and they are accompanied by long blonde lashes. Fenner has a medium build with lean muscles. His facial features are all symmetrically placed, and his jawline is well defined. Fenner makes a good-looking addition to our menu of donors.

Fenner first and foremost loves his family and also watching his children grow and learn. Though quiet at first, he quickly opens up and reveals his fantastically dry sense of humor and quick wit. Fenner has a goal of becoming a teacher in the near future, and we think he'll be great at it.
