

Open Donor: Arnold

Staff Impression

Arnold is a presence in any room, standing at 6'6" with broad shoulders and long, lean muscles. His clear-blue eyes mesh very well with his light-brown hair and medium skin. Arnold's facial features are all symmetrical, and his smile is big and bright. He absolutely has "all-American" good looks.

Arnold loves staying physically active and fit. He enjoys being in nature, going for long walks and hikes. Arnold also cares a lot about what he puts in his body and eats extremely healthily. He is very social and always is up for a good conversation, showcasing his extroverted personality. Arnold became a donor to help those achieve their dreams of parenthood that might not otherwise come true.
