

Zeke Staff Impression

Zeke is a great looking guy across the board. He has lovely, piercing blue eyes and a medium complexion that is usually tan from the amount of time he spends outdoors. He has a well-structured face, strong shoulders, and a strong, athletic build. He is the perfect picture of health and vitality.

Zeke's passion for adventure and pushing the physical limitations of what he is capable of knows no bounds; he has an inspiring history of ultramarathon running, mountaineering, rock climbing, ice climbing, and skiing, which has taken him all over the world as he competes professionally and for charity; it is also his current profession to manage and support similar events. Zeke is a super positive and enthusiastic person and a real self-starter who loves to motivate others. If you are looking for someone who is strong-willed, fiercely tenacious, and adventurous, Zeke would be a great choice for you.
