

Thaddeus Staff Impression

Thaddeus is tall and very lean with small, defined muscles. He has a super handsome face with bright blue-green eyes, a small nose, square jawline, and full lips. He has blonde hair and a natural tan from spending so much time outdoors. All around, he is a great looking guy!

Thaddeus is an outstanding athlete. He grew up skiing and surfing competitively in California, and he's still extremely versatile in his athletic skills, enjoying hiking, backpacking, mountaineering, marathon running, scuba diving, rock climbing...he does it all! He loves to talk about his future career goals to be an Environmental Geochemist, and we're quite impressed with his commitment to reducing his carbon footprint- he is involved in several different clubs/student organizations on his campus committed to environmental impact- he even filters and reuses rainwater! He has a great personality and we love how articulate and astute he is. If you are looking for someone who is passionate, athletic, and well-spoken, Thaddeus would be a great choice for you!
