

Open Donor: Jeremy

### Staff impression

This donor is a medical student, air force veteran, and an excellent athlete.

There is no doubt that this medical student is very passionate about his studies, and that it is an instrumental part of his life. Amongst his obvious intellect, he is also very athletic and loves to travel.

This handsome donor has very symmetrical facial features, with striking blue eyes. He is tall with an athletic build. He dresses in a very nice and professional manner.

He is very polite and easy to work with. He is a favorite of the staff as he is very reliable and takes pride in being involved in the program.
