

Harold Staff Impression

Harold has a rugged, outdoorsy look about him, with full, thick, light brown hair, a blonde-brown beard, and a large frame with broad shoulders and big, muscular arms. He has bold blue eyes, a medium, rosy-toned complexion, and a rounded face.

Harold grew up in a huge, creatively-inclined family, and is very close with everybody. He comes from a long line of singers, film makers, and artists. He too is particularly interested in drawing and screenwriting, although his academic career was mostly in Mathematics. Harold has a friendly, laid-back, demeanor and a great sense of humor. We think he's a great donor!
