

Gage Staff Impression

Gage has a lean build, with a slender torso and shoulders and toned, muscular legs. He has medium skin which tans very well in the summer, brown hair, bright blue/green eyes, and a dazzling smile. He has a handsome, angular face, great cheekbones, and a prominent nose.

Gage is an avid naturalist and wilderness explorer. He studied Marine Biology, has lead whaling tours off the coast of the PNW, as well as his current job as a naturalist and hiking guide for a private hunting/cruise tour in Alaska. He also loves kayaking, skiing, and ultimate Frisbee, making him the perfect PNW outdoorsmen archetype. Gage loves to engage in conversation with everyone in the office; he is thoughtful, genuine, and kind, as well as a fantastic story teller, which puts him amongst the top favorites of the staff. If you are looking for someone who is outgoing, courageous, and full of spirit, Gage would be a great choice for you!
