

Open Donor: Vince

Staff Impression

Vince stands at 6 feet tall with broad shoulders and a good build. Vince keeps active and in shape by playing recreational sports along with some light weightlifting and regular cardiovascular activity. He has a clear, smooth complexion that tans when he spends time in the sun and symmetrical facial features. Vince has amazing thick, wavy brown hair that makes his bright green/blue eyes pop. All these features work together to make Vince an exceptionally handsome donor.

Aside from his good looks, Vince is also incredibly thoughtful and intelligent. He is currently pursuing a Master of Science in Psychology and achieved a nearly 4.0 GPA in his undergraduate degree. He is an avid reader and always looking to learn something new; currently Vince is teaching himself how to play the guitar. Vince comes from a very close family that he is extremely proud to be a part of. When asked why he wants to be a donor, Vince answered, "I want to be a donor because I know that there are people that want to start a family of their own but are unable to due to a variety of circumstances, and I am in a position to help with that." Vince has both intelligence and good looks and would make a great donor for any family.
