

Anonymous Donor: Kyle

Staff Impression

Kyle is tall and tan with brown hair and green/brown eyes. He exercises regularly by lifting and doing cardio which results in a lean, defined build. Kyle is almost always smiling to show off his straight white teeth. He is typically clean shaven but will occasionally sport a 5 o'clock shadow to give himself a more rugged, but still very handsome, look.

Kyle has a bachelor's and is currently going to school for aviation. He has a great sense of humor and is incredibly sweet and genuine. He is always looking for the best in people and is full of compliments for everyone in the office. When asked why he wants to be a donor, Kyle answered, "I like to help people and if I have something they need or could use, even better." Kyle is sweet, intelligent and outgoing and we believe he would make a fabulous donor.
