

Open Donor: Allister

Staff Impression

Allister has very sharp, angular facial features including prominent cheek bones and a strong jaw line. He has well-defined muscles that are long and lean and he stays fit with regular cardio and weight lifting. He is very athletic and grew up playing in a variety of sports, still participating today in many sports at a recreational level. Allister has dark blue eyes and straight blonde hair with a medium skin tone. He has a smooth complexion that he keeps clean shaven for a very clean cut look, making him an attractive young man.

Allister is confident and outgoing, making friends easily in any situation. He is a strong leader but always looks to lighten the situation by making people smile. Allister is driven and smart, setting goals for himself and doing his best to achieve them. His ambition and drive coupled with his athletic ability make Allister a great donor.
