

Open Donor: Ford

Staff Impression

Ford is 6 feet tall with a lean and muscular build. He does regular cardio and weightlifting and maintains a healthy vegan diet to stay in peak physical shape. He has brown eyes and brown hair, although he keeps his head shaved. Ford is clean shaven and almost always smiling to show off straight white teeth and dimples on either side. 10031 has an infectious laugh and his presence always puts us in a good mood.

Ford has a very jovial personality and loves to laugh. He is usually outgoing and chatty when he comes in which makes it hard for us to picture him as a tough cop, but he assures us that he turns on his cop personality for work. Ford likes to keep busy with a wide range of hobbies and is always looking to learn something new. His time in the military and current career as a police officer show just how hard working he is. Ford is a very intelligent and unique donor with a great personality.
