

Staff impression – 12078 Ezra

Ezra's dark brown hair and large brown/green eyes pop against his smooth, medium tan skin tone. He keeps his thick, wavy hair and full beard kept clean and styled nicely. Ezra stands at a tall 5'10" and has a fit frame and broad shoulders that pair well with his overall look. He keeps in shape by playing basketball and lifting weights.

Ezra is a very accomplished and well-traveled guy. He speaks fluent Russian, French, and Ukrainian, and holds a Masters degree in International and Comparative Education. In his free time, Ezra enjoys keeping up with current events, and is very interested in the political state of the world. You can also find him reading a good book, watching movies, and listening to podcasts. Ezra is highly intelligent, very sophisticated, and diversely talented. We think he'd be a great donor for any family!
