

Open Donor: Craig

Staff Impression

Craig has a very symmetrical, round face. He has green/brown eyes and is usually clean shaven, but on occasion he will grow out a full beard that he keeps neat and trimmed. Craig has a medium, smooth complexion. Craig has a medium build and stays in shape with regular exercise including running, swimming and yoga.

Craig is extremely intelligent and currently works as a lawyer. He is fairly reserved when you first meet him, but once he is comfortable he opens up and has a great sense of humor. Craig laughs readily and is laid back. He definitely has a creative side and enjoys things that are new, adventurous and unexpected. Craig is very family oriented and does a great job of balancing his work and home life, cherishing the time he has with his children and wife.
