

Open Donor: Ross

Staff Impression

Ross is lean with long muscles and has participated in a variety of sports including earning a black belt in taekwondo. He has green/brown eyes that contrast well with his wavy, light brown hair and fair skin. He is usually sporting a 5 o'clock shadow, giving him a more ruggedly handsome appearance. Ross has a shy but sweet smile that softens his angular facial features.

Ross is very intelligent and passionate. He has a Master's degree in music education and loves to both play and teach music. Ross' musical talents know no bounds as he plays a variety of instruments and sings as well. When not performing, Ross is typically reserved around those he does not know. However, once he becomes comfortable Ross is a lot of fun with a great sense of humor. When asked why he wants to be a donor, Ross answered, "Giving is one of my favorite things to do for people and this is one of the easiest ways to give that I think most people forget about. Ross is a donor that is kind, loyal and compassionate.
