

Open Donor: Aaron

Staff Impression

Aaron is tall and exercises regularly by staying active with activities such as running lifting, hiking, etc. He is tan with a medium skin tone and smooth complexion. Aaron keeps his face clean shaven to display the freckles that run across his nose and cheeks. He has thick, wavy brown hair and matching brown eyes that twinkle when Aaron shows his shy smile. These features make Aaron a very good looking donor.

Aaron is very intelligent and hardworking with great ambitions. He is truly a man of many talents and is extremely handy and also play guitar. These talents come with a great personality that is both fun and outgoing. We love how patriotic Aaron is and how proud he is of the time he served the U.S. Army. When asked why he became a donor, Aaron responded "... Before making sure our family is complete, we decided it was now or never to help others start theirs by becoming a donor." Aaron is hardworking, caring and thoughtful and would make a great donor for any family.
