

Open Donor: Orlando

Staff Impression

Orlando has an extremely genial, outgoing personality. He always comes in with a wide smile and tons of enthusiasm. Orlando is caring, sweet, easy-going and fun. He has a love of animals and hopes to work as the CEO of a non-profit organization in the future. Orlando is incredibly generous and does everything he can to improve the lives of those around him, animal and human alike.

On top of his incredibly jovial personality, Orlando is also very attractive. He has bright blue eyes that are complemented by his straight, light brown hair. Orlando has a smooth, fair complexion with some freckles. However, he partially hides his beautiful skin with a full beard that he keeps trimmed short, giving him a ruggedly handsome look. He has a muscular build from regular weight lifting and participating in a variety of sports. Orlando is a truly incredible person who would make a great donor for any family.
