Paisley's light-blue eyes go very well with his fair skin. He keeps his head neatly shaved and wears a reddish-brown beard in the winter. Paisley is 5'10" and has long, lean muscles. The bone structure of his face and his facial features are all symmetrical.

Paisley speaks with eloquence and thoughtfulness. He is very intelligent, a true thinker. He loves science-fiction movies, novels, and concepts. Paisley stays physically active throughout the year and eats very healthily. Caring, quiet, and always with a smile on his face, Paisley makes for a wonderful donor.
