

Open Donor: Barry

Staff Impression

Barry is tall, with a large build, strong shoulders, and long, muscular arms. He has brown hair that he keeps very short and matching brown eyes. He keeps his face clean shaven, showing off his rounded facial features and strong cheekbones. Barry has an athletic physique from regular exercise, sports training and competitive weight lifting. He has a fair complexion that will darken in the sun. He has straight white teeth and a wide smile with full pink lips.

Barry has a very calm, quiet, mild mannered and relaxed demeanor. It takes him a little time to open up, but once he does he is more than willing to share life stories with the staff. Barry is a hard worker and has a determined and driven work ethic. He strives to achieve successes in his career and continuing up the corporate ladder. Barry has a lot of great qualities that make him a fantastic donor to have in the program.
