

Dante has a broad and inviting smile; silky, medium brown, hair; blue, almond-shaped eyes; a nose with a straight and narrow bridge; and a fair complexion with rosy cheeks. He is tall, fit, and slim even though he has a soft spot for pizza and pasta.

Dante is cheerful guy who is a charismatic and highly capable leader. He has a sincere desire to help others through community building and improvement projects, and sharing happiness whenever and wherever he can. He is a proud Eagle Scout and has the respectful manners and high morals one would expect from someone who has completed the requirements to earn the distinguished title. We think he is a great choice for a donor.
