

Open Donor: Eddie

Staff Impression

Eddie stands at 6ft tall and has broad shoulders with a lean muscular build that he maintains by regular workouts that include cardio and weight training. He also squeezes in the occasional basketball game with friends when he can. He has brown hair that he keeps short and is always clean shaven. He has blue/green eyes that really light when he smiles, which is often. Eddie has a wide smile with straight, white teeth that have the smallest little gap in the front teeth. Eddie has a very cute, boyish charm and look about him making him a good looking young man.

Eddie is a very smart, driven and dedicated young man. He is currently studying accounting in college and plans to pursue that as a career when he graduates. He excels in school, especially in mathematics and anything involving numbers. Eddie can come across as shy or timid in the beginning but once he gets to know you he becomes very talkative and open and enjoys having conversations with every staff member, every time he visits. Eddie is a funny, athletic, intelligent young man and he's a real joy to have in the program.
