

Open Donor: Ewan

Staff Impression

Ewan has a slim build with lean, well-defined muscles. He exercises regularly by lifting weights and doing cardio exercises and occasionally participating in boxing. Ewan has wavy brown hair that he has had long and more recently cut short. With his hair short his large bright blue eyes really stand out. He also has full, pink lips that show his off his great smile.

Ewan is very thoughtful, open minded, empathetic and genuine. He always engages the staff in conversation and shows a real interest in other's lives. Ewan is currently studying to become an Electrician, which he really enjoys because it challenges him to come up with new ideas. Ewan is also quite creative and enjoys creating elaborate stories. He hopes someday to have the opportunity to write professionally on the side.
