

Smith Staff Impression

Smith has a head full of very thick, light blonde, wavy, hair. His face is oval with a beaming smile, high cheekbones, and light blue eyes. Smith has a fair complexion with flawless skin. When he is not clean shaven he wears his facial hair in a short, tidy, beard.

Smith is an analytical thinker with strong math skills. He is hard-working and athletic, both of which were put to good use while growing up and working on a farm. Smith is very loyal to close friends and family as these relationships are very important to him. He is an easy to get along with fellow who enjoys playing sports, adventuring outdoors, and relaxing with loved ones. We think he is a great guy and donor choice.
