

Percy Staff Impression

Percy's best features are his large, striking, light blue eyes. He has a classically handsome appearance with an oval face, pointed nose, strong chin, and a nice brow line. He has an average build with muscular legs and arms.

When this skilled mathematician isn't busy working as a Senior Accountant, Percy stays active outdoors by mountain biking, hiking, and running. He is an automotive enthusiast who spends a lot of his free time working on cars and attending car shows. Percy is a husband and a proud father of two; his motivation as a donor is to help other people experience the same joy of parenthood that he has.
