

### **Doyle Staff Impression**

Doyle brightens the room with his energetic and exuberant personality. This fun-spirited guy is adventurous, playful, and entertaining. There is never a dull moment when he is around. He is a well-rounded guy who likes to stay active playing various sports, especially soccer, and traveling. He holds a bachelor's degree in Computer Science and Electrical Engineering. He is currently a software engineer with a big goal of becoming a CEO in the tech sector.

Doyle has an oval face with a pointed nose, tidy, arched, brows, and a broad smile. His fair complexion is dappled with freckles. He is tall with a medium build and well-proportioned limbs and body.
