

Beau Staff Impression

Beau is a tall and muscular college athlete with boy-next-door good looks. He has sandy light-brown hair, tan skin, and striking green eyes. His face is rectangular with deep-set eyes, pronounced cheekbones, square chin, and square jawline.

When not in class you can find Beau outdoors, and there is a good chance that he will be out on the water— rowing, surfing, wakeboarding, swimming, exploring alpine lakes and rivers on hikes, or relaxing on the beach. He is calm and quiet but is a compassionate friend and listener who maintains strong bonds with his family and loved ones. Beau is grateful for the supportive family that life has given him, and he is excited to contribute to people starting families of their own.
