

### **Staff Impression: Rusty**

Rusty has a very youthful appearance, aside from his 6'4" frame. He has red brown hair and bright inquisitive brown eyes. He has a medium skin tone that darkens nicely when tanned. He has full lips that are pinkish red and a killer smile. He has a strong well-defined cheekbones and symmetrical features.

Rusty is an interesting person because he is equally both an introvert and extrovert. He has an inner confidence that shines outward brilliantly and commands the attention of a room easily. He is outgoing and polite. Rusty is also very artistic and creative. He creates his own music, playing the drums and piano and enjoys drawing and design.
