

Open Donor: Fox

Staff Impression

Fox is tall with lean, well defined muscles. He maintains his physique with an active lifestyle comprised of regular cardiovascular and weight training workouts. He has thick, wavy brown hair. His hair has some silver grey peeking through. His salt and pepper hair makes his large, dazzling blues eyes really stand out. Fox keeps his face clean shaven to show off his medium toned complexion and his full, pink lips that reveal straight, white teeth. Fox is a very attractive young man.

Fox is very intelligent and driven to accomplish his goals. He recently graduated with a Bachelor's Degree in Business Administration and has plans to pursue a Master's Degree in the future. Fox also enjoys time playing sports, especially golfing with his professional golfer father. He also played baseball throughout college. This level of commitment to his studies and sports has given Fox a strong sense of self and work ethic. Fox is the total package of looks, intelligence and outgoing personality. He is a great addition to the donor program and we believe Fox will achieve everything he sets his mind too.
