

### **Peter Staff Impression**

Peter is a confident yet down to earth guy with a good sense of humor and strong work-ethic. He is masculine and handsome with an angular jawline, pointed chin, medium skin tone, full brows, dark green eyes, and thick hair. He has broad shoulders and keeps in good physical shape from an extremely active lifestyle. Peter's soothing voice, warm smile, and courteous manners and humble attitude make him an understated charmer.

Military service is a tradition that goes back 9 generations in Peter's close-knit family and is very proud of his time in the U.S. Marine Corps which allowed him to travel and experience different parts of the world while honing his leadership skills. After finishing active duty Peter began enthusiastic pursuit of a bachelor's degree in construction management while running his own small business. It's no surprise that he is exceptionally reliable and organized with great people skills. We've really enjoyed having him in our program!
