

Ajax (10297) Staff Impression

Ajax is tall with an athletic yet slender build. He has a gorgeous square jawline, a light olive skin tone, large hazel eyes, full lips, and thick hair and eyebrows. He is very handsome and stays in great shape! He enjoys going to the gym at least three times a week, sprinting, soccer, tennis and swimming. Aside from English, Ajax also understands some Italian as well as studying Japanese for 4 years in school.

Ajax is currently pursuing a Bachelor's degree in Aerospace Engineering. When he's not in school, he enjoys woodworking, traveling and coffee. He also likes figuring out how things work, programming and playing music. Some instruments he enjoys playing include guitar, banjo, clarinet, ukulele, and violin. Some of his top travel locations include Old Europe and New Asia; anywhere there is a lot of history and culture. Ajax is an asset to our donor program for his many talents as well as being an outgoing, loyal and friendly individual.
