

Gerold Staff Impression

Gerold is eye-catchingly handsome and is quite the charmer. He is easy going and confident with a playful sense of humor. He loves all that the outdoors has to offer and spends much of his free time fishing, hiking, beekeeping! He values his loving family more than anything else and speaks very highly of his parents and siblings. Gerold connects with people and makes friends with his caring and generous personality. He currently works as a respiratory therapist and plans to continue his education in the future to further his career in the medical field.

Gerold's features are dark with brown hair and eyes, and a tan complexion. He is lean with a very muscular, athletic build. He stays in great shape by living an active lifestyle, lifting weights and the gym, and running regularly. He has a very attractive face with tidy brows, high cheekbones, a shapely and proportionate nose, full lips, and a square jawline. We think he is fantastic!
