

Teddy Staff Impression

Teddy is tall standing 6' and medium build which is a product of his active life. He has wavy light brown hair and blue eyes with fair skin. He loves to keep a scruffy face to which he jokes that it's a good way to hide his double chin.

He is a family guy who is extremely outgoing, super friendly and maintains a great conversation. He loves to go to the gym and wake board during his free time. His goal is to be a Director for homeless Veterans which also indicates his selflessness and willing to help anyone in need.
