

Pin-Jui (12538) Staff Impression

Pin-Jui is tall and slender with long limbs and a lean torso. He has an attractive rectangular face with clear skin, rosy cheeks, high cheekbones, arched brows, and full lips.

Pin-Jui is exceptionally intelligent, multilingual, well-mannered, introspective, humble, and patient. His natural talent for leadership, learning, and teaching paired with a strong work ethic and determination have brought him success in accomplishing his academic and career goals in university, military, and education. Outside of work, he lives a healthy, well-balanced, and active life, running, playing basketball, and playing the piano.
