

Open Donor: Collin

Staff Impression

Collin is the quintessential American boy next door. With a round face, blonde hair and blue eyes, Collin is always clean shaven with his hair styled and cut short giving him boyish good looks. Collin has a clear, fair complexion along with straight white teeth that are almost showing as he is usually smiling. He typically wears button up shirts and jeans or khakis, adding to his unassuming charm. Collin regularly lifts and plays basketball, giving his 6 feet of height a good build to complement his fabulous personality.

Collin has a rather sweet and quiet disposition, and as we have gotten to know him we have come to truly appreciate and adore him. He is not only sweet but also extremely responsible and hard working. Collin finished his degrees in engineering management and economics with a 3.7 GPA in four years, impressive to say the least. He loves a challenge and truly enjoys constantly learning new facts or skills. He is extremely optimistic and is always looking for the good in people and situations. While we cannot think of a single negative thing to say about Collin, we could go on for pages about his great attributes. He would truly make a fabulous choice as a donor.
