

## Desi Staff Impression

Desi is average height with a medium build. He has a round/oval face shape with a defined chin, light brown skin, thin lips, and straight teeth. Desi has thick and beautiful curly dark brown hair and downturned big brown eyes. Desi is shy and quiet at first but is also a happy and easy-going person.

Desi graduated with a Bachelors Degree in Computer Science and is working in the field developing websites. He describes himself as a nerd because he enjoys reading technical articles and play video games on his free time. Desi grew incredibly close with his family and is happy to be a part of our donor program to help other families achieve their dreams of raising children.
