

Flash Staff Impression

Flash has an MBA in Industrial Systems Engineering and works full time building electronics. In the future he would not mind continuing to do what he does but also hopes to get into Real Estate. During his free time, he loves to travel, read, and explore the outdoors. Flash has an introverted and reserved personality but is very friendly and always has a smile on his face.

Flash is just under 6 feet tall with medium, muscular physique. He is a very handsome donor with intense and sparkling brown-green eyes and a beautiful olive complexion. He has straight medium brown hair that he keeps short and styled. Flash has a defined jaw line that can be seen even under his short beard. He has full lips and a coy smile that reveal perfect straight white teeth. Flash is a great donor choice if you are seeking someone with a great combination of intelligence and looks. We are very lucky to have him in our donor program.
