

Flint (12605) Staff Impression

Flint is the whole package, blessed with brains, brawn, and a mighty work ethic! He is tall, broad-shouldered, exceptionally muscular, and ruggedly handsome. He has an attractive, round face, a broad full-lipped smile, deep-set eyes, and a square chin.

Flint competed as a multi-sport Division 1 athlete as an undergrad, held office in student government, and is now enrolled in a Law School to earn his Juris Doctor degree. His long-term goal is to use his skills, charisma, and ability to connect with others to build a political career. We think Flint is an impressive guy with a great personality and lots of potential!
