

Duarte (10542) Staff Impression

Duarte is a full-time student and is studying Medical Radiology. He aspires to become a Radiation Therapist so that he can have the chance to help people with cancer which is a lifetime goal of his. When he is not in school, Duarte enjoys the outdoors through rock climbing, hiking, working out, and spending quality time with his furry best friend, his corgi.

Duarte is of average height with a medium slender build. He has brown round eyes and black straight hair which he keeps styled with a side comb. He has a round face with a tan complexion, clear face, and nicely shaped full lips that reveal a dimple on his right side when he smiles. Duarte's passion is uplifting and helping people around him which is a reason he decided to join our donor program.
