

Templeton Staff Impression

Templeton is tall standing at 6' with a medium/slender build. He has beautiful blue eyes, brown hair and keeps a clean-shaven face that show off his dimples. Templeton is super easy to get along with, he is respectful, outgoing and such a friendly guy!

Templeton works full time in sales and on his free time he enjoys being outdoors, playing sports or training for Spartan races. He grew up with a very supportive and caring family which really shows in the way he carries himself and treats those around him. Templeton is happy to be apart of our donor program and grateful he can help give a family the opportunity to have children.
