

Ari Staff Impression

Ari is tall, standing at 6'3" with a medium, slender build. He has fair skin color that darkens with sun exposure and beautiful ocean blue eyes. Ari has curly, blonde hair and keeps a clean face that show off his full lips. Ari is highly sociable, easy to talk to and humorous.

Ari graduated with a Bachelor of Arts in Biology and keeps busy working two jobs, one as a DJ which allows him the creative outlet to make music. His long-term goal is to make a career through music production. When Ari has free time, he enjoys being outside - hiking, mountain biking, motion sports and playing tennis. Ari grew up extremely close with his family and learned the value of being hardworking, doing the right thing and being caring. Ari is incredibly excited to be able to help people start a family of their own which makes him a great addition to our donor program.
