

Oxford Staff Impression

Oxford has a master's degree in civil engineer and works full time as project manager. He also owns 2 businesses which his goal is to focus on them and keep growing in hopes of being able to fund a non-profit organization. He takes pleasure in being outdoors such as camping, working on cars, and being around family/friends during his downtime.

Oxford is average height with a medium athletic build, and medium complexion. He has a round face shape, full lips, deep set hooded eyes and a cute standard nose. Oxford is a very optimistic and open-minded person and loves learning about other people and their cultures. Oxford is a father and is extremely happy to help start a family!
