

### **Staff Impression Phineas 14430**

Phineas 14430 is charming, inquisitive, and athletic! His bright green eyes and light freckles compliment his kind disposition and ease of conversation. He is kind and thoughtful, valuing his ability to critically think and engage in conversations with his friends. Philosophy is a passion of Phineas' that he discovered after receiving his degree in Mechanical Engineering and enjoys reading about the theory of ethics and sustainability.

Phineas 14430 is adventurous, and new experiences excite him! Playing flag football, ice hockey, and cycling are all activities he regularly participates in. Phineas explores the world around him from landscapes, craft beer, coding, and restaurants to many other interests. His ability to traverse new interests and hobbies with ease and his thoughtfulness towards life and donating are all incredible reasons we are thrilled to have Phineas in our program!
