

Deon Staff Impression

Deon is a handsome guy with fair skin color that will tan slightly with sun exposure and bring out his beautiful blue/green eyes. He has short, straight medium brown hair. Deon has a square jaw, a cleft chin and cute dimples. Deon is lean and slender with medium build. He is such a friendly, respectful young man with a calm personality and great sense of humor.

Deon works full time as an electrician and hopes to one day work as a director with the government to increase the energy efficiency of people's homes. Deon grew up fighting and not getting along with his 3 brothers, like any typical teenager, but with time have become very close. His parents taught him the importance of being kind, sympathetic and patient with others and he has become very close to his family. His appreciation for his family is why he is happy to help others start a family and create that special bond.
