

Staff Impression Friday 14489

Friday is adventurous and charming, with an incredibly positive attitude. His curly dark brown hair compliments his handsome features, being slightly longer on top, showing off his defined ringlet curls. His dark rectangular eyebrows frame his honey-hazel eyes. Friday's demeanor is relaxed, and his features are very fitting. His smile is infectious, kind, and expressive with the help of his dimples and smile lines at the corners of his eyes.

Friday is driven and goal-oriented with many hobbies! His main interests comprise of water-based and outdoor sports, like surfing, water polo, rock climbing, and swimming. He prides himself on his ability to perform well at what he puts his mind to, enjoying the hard work required to excel at them. His career reflects this in another manner, being well-educated and a successful mechanical engineer. He may be easy-going and fun to be around, but he is a multifaceted individual, and his captivating personality only aids in his endeavors to grow in his field. He credits his family for his approach to life, loving and disciplined perspectives have gotten him far in his career and passions!
