

Ladmo (10554) Staff Impression

Ladmo is a handsome donor with a charming smile and kind, hazel eyes. His dark hair and beard contrast attractively with his fair complexion. He has an oval face with proportionate features. His lips have a pronounced cupid's bow and he has a small, rounded nose. He keeps a well-groomed full beard and casual style.

Ladmo is friendly, down-to-earth, easygoing, and likable. When not busy in school studying video production, he gets outside as much as possible, enjoy local nature by fishing, hiking, and camping with friends. He has a very close relationship with his family, and he gets together with them for holidays, birthdays, and regular family gatherings. Ladmo grew up in a large family, he is very proud of his parents and siblings, and he looks forward to helping others have children of their own.
