

Staff Impression Acton 10760

Acton 10760 is a joy to be around! He is warm and positive, and always up for a conversation! Acton is personable and has a contagious smile that stretches from ear to ear. His smile is accented by sweet dimples. His face is oval shaped, with high cheek bones and full cheeks. He has dark honey hooded eyes. His soft features are the cherry on top of Acton's sweet personality.

Acton 10760 prides himself in taking his teaching career seriously and the change he has made in students lives. He is also very talented, experienced in woodworking, hiking, repair work, and more. He is quite a special individual, as it is rare to find someone who not only radiates positivity but looks to share this perspective with the people around him! Anyone looking for a donor with a captivating energy and is an independent thinker, Acton is an incredible choice!
