Sieber is a tall individual, towering at 6'10" with a large yet slim build, light brown hair, green eyes, and fair skin. He has an oval face with youthful, welcoming features, a rounded nose, full lips, tidy brows, and kind eyes.

Sieber works in retail management and hopes to advance to higher management positions in the future. In his free time, he enjoys working out, playing basketball, and fixing things with his hands, such as cars, welding, and house repairs. Sieber has a strong work ethic instilled by his parents and values providing opportunities for others. He decided to become a sperm donor because he thinks it's cool to help others become parents. He wishes the recipients of his donations good luck and humorously warns them about the potential grocery bills!
