

Dowell is a dynamic individual standing tall at 6 feet and is a captivating blend of Japanese and British heritage. His large build exudes strength which is only complemented by a striking dark chestnut brown, thick hair. His chocolate brown eyes have a warmth to them and are only accentuated by clear skin adorned with light freckles that add a touch of charm.

Dowell is also a driven individual on the path to becoming a mechanical engineer. His passion lies in building and tinkering with various mechanisms and inventions. A curious individual, Dowell often enjoys himself with reading. Beyond his academic pursuits, he possesses a remarkable physical talent, showcased by his impressive 20-inch vertical jump!
