

Open Donor: Jaydon

Staff impression:

Jaydon's favorite thing about his job as an Emergency Medical Technician is that he gets to help people on a regular basis. When we asked what he was most proud of he replied, "I'm proud of the help I've given people in the past because it makes me feel good about knowing that I've helped someone and it gives me satisfaction towards myself."

Jaydon is tall with a masculine build. He has dark brown hair, chocolate colored brown eyes, and a creamy skin tone. He dresses casually while not in uniform.

Jaydon is very laid back and easy to be around. He has a great sense of humor and is quick to flash you a charming (and infectious) smile that will likely translate to one on your face. He is a caring and calm individual that I would be happy to recommend as a donor.
