

Open Donor: Bishop

Staff Impression

Bishop carries an air of authority about him. He stands just over six feet with a large, sturdy build and broad shoulders. His blonde hair and blue eyes mesh perfectly with his fair skin and rosy cheeks. His smile reveals straight, white teeth, and is complimented by a defined chin and strong jawline.

Bishop loves his family and is diligent about maintaining a healthy work-life balance. He loves playing and watching a variety of sports, football being number one. Enjoying the Pacific Northwest is a favorite pastime of Bishop's, and he certainly appreciates nature and the outdoors. While Bishop describes himself as a "guys guy," his heart is big and his sensitivity and compassion for others are absolutely present.
