

Open Donor: Randolph

Staff Impression

Randolf is 5'9" and weighs 170 pounds; his body is proportional with a medium build. His hair is a medium-brown and shows hints of auburn in certain lights, which complements his fair skin very well. Randolph's face is square-shaped with a well-defined chin. He has a big smile that shows his straight set of teeth.

Randolf speaks French, absolutely loves chocolate, and is extremely intelligent. He has an incredible amount of motivation and drive as he looks ahead to a successful medical career. A major reason Randolph went to medical school is his overwhelming desire to help others, which is also why he is in our donor program.
